## Cloud Migration Specialist

### Description

Cath-EI Tek Solution is looking for an experienced **Cloud Migration Specialist** to support SAP cloud migration projects. If you thrive in complex environments and excel at transforming legacy systems into scalable cloud solutions, we want you on our team.

### Responsibilities

- Plan, execute, and oversee SAP system migrations to cloud platforms.
- Analyze existing infrastructure and recommend optimized cloud solutions.
- Ensure data integrity, security, and compliance throughout the migration process.
- Monitor system performance and troubleshoot post-migration issues.
- Work closely with stakeholders to ensure seamless cloud adoption.

### Qualifications

- Bachelor's degree in IT, Computer Science, or a related field.
- 4+ years of experience in SAP cloud migration or related roles.
- Expertise in cloud platforms like AWS, Azure, or Google Cloud.
- Familiarity with SAP HANA database and SAP Basis administration.
- Strong understanding of cybersecurity and compliance standards.

### Job Benefits

- Competitive salary with performance bonuses.
- Comprehensive health and wellness programs.
- Hybrid work options.
- Career growth opportunities with leading industry experts.
